Iman

SUPERMODEL-CUM-BEAUTY ENTREPRENEUR-CUM-MRS. DAVID BOWIE

"I keep my Nikon handy at all times—just yesterday I took photos of a tattered African carpet from a street vendor. I'm a nut about my health, so I always have a packet of David Kirsch's A.M. Daily Detox in my bag. And because I've always had to mix makeups to match my skin, I eventually launched my own skincare line for a range of ethnic shades. Now I never go anywhere without the IMAN Skin Tone Evener BB Crème SPF 15. Color is such a mood lifter for me—that's why I love Irene Neuwirth's jewelry. Her bold designs and colors, as in these boulder opal earrings, always add dazzle."
