

RUGGED INDIVIDUALISM

STYLED BY TASHA GREEN PHOTOGRAPHS BY ROLAND BELLO

Now is a time of layered experimentation and masculine self-expression. Rules are made to be broken. A man may be rough *and* polished at the same time—all the better. Take this commanding GUCCI overcoat (\$2,100) and wool sweater (\$950) paired with LOUIS VUITTON pinstripe trousers (\$690) and RALPH LAUREN leather boots (\$895). Or, opposite, BRUNELLO CUCINELLI's wool, angora and silk peacoat (\$3,310) thrown over a POLO RALPH LAUREN denim jacket (\$295) and Beacon-print shirt (\$200), mixed with bracelets from CATHERINE ZADEH (from \$95) and DAVID YURMAN (\$250). Getting dressed never felt so natural.
